Laura M. Burbridge, (Owner)

Blizzards, floods and Sputniks come and go, but I find that all these things are forgotten when Iris time is here.

Many of my old customers may be surprised to find me still at the same location. I had hoped to have my gardens moved before this, but re-zoning difficulties keep me here. Business will go on as usual, and your orders promptly filled.

Again, instead of making up "Collections", I have made the prices throughout this catalogue tempting enough so that you won't miss them. COMPARE PRICES.

Please feel free to visit my gardens at any time.

Sincerely,

LAURA M. BURBRIDGE
